

LIMITED WARRANTY

AQUAMUNDO warrants the initial purchaser, and/or referred to as the recreational diver, its Aquamundo product to be free from defects in materials and workmanship under normal use and service for a period of one (1) year for wetsuits, BCD's, regulators, and gauges, and six (6) months for masks, fins, and snorkels, from the date of purchase provided proper care and maintenance have been performed. For products purchased for the use of rentals, in-water training and/or referred to as products purchased for the use of rentals for a fee, its Aquamundo product warranty is voided. AQUAMUNDO disclaims any and all other warranties, expressed or implied.

If it should be necessary for service to be carried out under the guarantee at the customer's premises, the latter will be responsible for the travel and transfer costs for the staff sent out by AQUAMUNDO.

Buyers' sole remedy under the above limited warranty, or under any implied warranty, is limited to the repair or replacement, at AQUAMUNDOS' sole discretion, of the Aquamundo product or parts thereof. Buyers should return the Aquamundo product to the place of purchase for warranty service. This limited warranty, or any implied warranties, will apply only to Aquamundo products that exhibit normal use and service and will not cover any damage resulting from any accident, abuse, misuse, mishandling, modification, tampering, disassembly, alteration, lack of maintenance, theft, or loss. Proof of purchase must accompany all Aquamundo products returned for consideration under this warranty.

LIMITATION OF WARRANTY

This warranty will be voided if the product has been tampered with or repaired by anyone other than a duly Authorized Aquamundo Service Center, also known as a Dealer. You are advised to consult your Authorized Aquamundo Dealer for proper operation and repair of your product.

This warranty is non-transferable and will not be honored if incorrectly filled out and the serial number of the unit is removed, altered, or obliterated. As proof of the date of purchase, it is advised to bring the purchase invoice, or receipt.

This warranty must be presented whenever you bring your Aquamundo product for service during the warranty period.
